Mr. Stefan Janols joins Spectra Premium AB as Managing Director

Trollhättan (Sweden), January 20, 2020 – We are pleased to announce that **Mr. Stefan Janols** has joined Spectra Premium AB, the Swedish branch of Spectra Premium, as **Managing Director**.

Mr. Janols has a strong industrial background, particularly in the automotive industry where he occupied key research & development, sales, production and quality management roles for Swedish OEM companies such as Autoliv (automotive safety supplier) and Plastal (automotive thermoplastics) for over 26 years. He will be responsible for managing Spectra Premium's European OEM operations and supporting business development activities.

“Stefan’s vast experience in various management positions and in the automotive industry will ensure a strong presence at our Trollhättan facility. It is an honor to welcome him within our ranks and we wish much success in his new tenure as Managing Director,” says Jacques Mombteau, President and CEO at Spectra Premium.

Mr. Janols graduated from *Chalmers tekniska högskola* (Chalmers University of Technology, located in Gothenburg, Sweden) with a Master of Science in Engineering (MSc.), Industrial Engineering.

On behalf of Spectra Premium, we wish him a warm welcome and good success in his new function.
