## Wage Increase from Manufacturer Spectra Premium

**Boucherville, Quebec – September 28, 2020** – Spectra Premium has significantly increased the hourly rate for its available positions as workers, shearers and pressers at its Boucherville plant. Hiring wages are now between \$17 and \$19.50 per hour (including applicable bonuses).

The Quebec auto parts manufacturer has been manufacturing fuel tanks and oil pans for the aftermarket and new vehicles on its South Shore site since 1989.

"This change in compensation reflects in large part current market conditions, but also our objective to put manufacturing at the forefront of our business activities," said Pascal Green, Director of Human Resources at Spectra Premium.

"It's a challenging time for many job seekers. We want to tell them that we have many day, evening and night positions available to welcome them to the Premium team. No prior training is required, we train our workers ourselves with compensation. »

All Spectra Premium positions have benefits and opportunities to grow within the company in a safe work environment.

Interested candidates can send their resumes by e-mail to [juneaus@spectrapremium.com](mailto:juneaus@spectrapremium.com).

**Spectra Premium Industries** ([www.spectrapremium.com](http://www.spectrapremium.com)) is a privately-owned global company that develops and manufactures OEM and aftermarket parts for passenger and off-highway vehicles as well as light-duty and heavy-duty trucks. Automakers, industrial manufacturers, auto technicians and car owners choose the reliability and quality of Spectra Premium products for their heating & cooling, fuel delivery and engine management systems.

Headquartered in Boucherville, Canada, the company's 1,300 dedicated employees have been the cornerstone of its innovation and exceptional customer service since 1989. It owns and operates several manufacturing plants in North America and Europe as well as its own tooling workshop. Comprised of 16 warehouses, its distribution network service American, Canadian and Mexican aftermarket customers.

Trust your vehicle to Spectra Premium.
